Northeast Florida Advocates for Autism and Related Disabilities, Inc.
97361 Pirates Point Road
Yulee, Florida 32097

Dear Friends,

The Northeast Florida Advocates for Autism and Related Disabilities, Inc. is pleased to announce the **8th Annual *Katelyn's Ride for Autism***. This year's event will be held on **Saturday April 17, 2021**.

Katelyn's Ride for Autism was founded in 2013, born out of a five-year-old Autistic girl's passion for golf cart riding and a critical need for local services/support for families battling Autism. Through the support of friends like you, this event has grown into one of the LARGEST golf-cart poker runs in Northeast Florida, with over 173 golf carts.

Our mission is to create acceptance, awareness, safety and support for special needs families in Northeast Florida. The proceeds of this event help us advance toward that goal by providing safety decals for vehicles, weighted blankets (used for sensory integration), and grants to families to assist with the cost of therapies for their children. Additionally, this event allows us to host monthly Parent 2 Parent meetings that offer parents the resources, training, and support they will need as they continue their journey.

The success of our mission is dependent entirely upon financial and product support of corporations and private sponsors. We have been fortunate in past years to have support from businesses like you. **We invite your continued partnership for this great mission.**

We have included a sponsorship form for you to review. If you are interested in becoming a sponsor to our event, or have any further question please contact us at (904) 624-6148.

Thank you for your support. Your efforts will help us positively impact the lives of hundreds of Autistic children and their families.

Smiles,

Mandy Connor

Mandy Conner
Executive Director
